

Bioeconomy resources

Lombardy Green Chemistry Association – LGCA (PP10)

Websites:

Bioeconomy-<https://ec.europa.eu/research/bioeconomy/index.cfm?pg=home>

The Bioeconomy Directorate of DG Research and Innovation defines, implements, monitors and evaluates the EU Research and Innovation policy and initiatives to address Horizon 2020's societal challenge "Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the Bioeconomy". On this website there are: definition of bioeconomy, policy, publications, videos and events.

Smart Specialisation Strategy S3 of the Lombardy Region-www.s3.regione.lombardia.it

In the S3 Strategy of the Lombardy Region, through a process of comparison and sharing with representatives of the business world, research, associations and institutions, the competitive advantages and the technological specializations more coherent with the innovation potential of their territory have been identified. On this website you can find info on: strategy, governance, implementation and tools

AlpLinkBioEco Partners

AlpLinkBioEco develops

1. Database to map existing resources, actors and relevant policies in the Alpine Space
2. Methodology to match actors for new value chains
3. New (cross)-regional value chains
4. Policy recommendations for the development of bioeconomy in the Alpine Space
