Interreg Alpine Space Circular4.0

Keynote at the invitation of CIRCULAR4.0 “The European Green Deal – Economic Potential for SMEs”

June 25, 2021

 LECTURES, SOCIO-ECOLOGICAL SYSTEMS AND DESIGN, CIRCULAR ECONOMY SYSTEMS

Umweltcluster Bayern once again extended an invitation to an exchange of experts as part of the CIRCULAR4.0 project. BCSSS Managing Director Stefan Blachfellner presented the European Green Deal and its economic potential for SMEs with the support structures in Austria and Germany and discussed with experts from countries in the Alpine region how economic development is now becoming active in the Circular
