CIRCULAR4.0 is an INTERREG Alpine Space initiative aiming to strengthen digitalisation and foster innovation processes in order to accelerate the SMEs transition to circular economy.

Green transition can be supported also trying to focus more on Circular Economy the many on going initiatives at EU level: as you can see here, Circular 4.0 partners are very well positioned to do that.

You can download the full "Report to align Circular Economy, Digitalisation with KET, S3 and other strategies in Alpine Space", just [click here](#)
