EUROPEAN REGIONAL DEVELOPMENT FUND

Guidelines for installation of Recharging Infrastructure

DGR 4593 of 17th December 2015

Main Characteristics

- Acknowledge European and National legislation and **adapting into Lombardia's features**
- **Enable all possible services** within the same infrastructure
- **Reduce entry barriers** for new potential users
- **Promote integration** with other types of transport, both public and private (intermodality)
- **Optimizing Cost-Benefits Ratio**
- Granted service for occasional users
